About Riley Children’s Health

Riley Children’s Health is a nationally ranked health system delivering care to children in more than 50 locations across Indiana, including at Riley Hospital for Children in downtown Indianapolis and Riley Children’s Health at IU Health North in Carmel. As the state’s only comprehensive children’s health system, Riley Children’s provides leading-edge medicine and patient- and family-centered care to more than 300,000 patients each year.

The Regional Directory includes details about Riley Children’s many statewide outreach locations. To view the directory online, visit rileychildrens.org/regionaldirectory or scan the QR code.

Refer a Patient

To refer a patient, request urgent or routine consults or transfer a patient to the hospital, Riley Children’s offers your team a one-call solution for all provider needs.

Riley Children's Health

Indiana University Health

Riley Children's Health

Riley Children's Health is Indiana's only full service statewide pediatric health system. Riley Children's offers complete, comprehensive pediatric care ranging from routine primary care checkups to the most complex acute care needs from highly skilled pediatric specialists. The system connects patients with expert primary care and specialty care physicians in communities across the state of Indiana. Riley physicians treat patients in their home communities, bringing top-notch care close to home. This statewide network is an extension of Riley Hospital for Children, one of the nation's leading children's hospitals consistently ranked a Best Children's Hospital by *U.S. News & World Report*.
