Individual Therapy

Group Therapy

Family Therapy

Nutritional Therapy

Intensive Outpatient Program

Partial Hospitalization Program

Medical Care

Thank you for choosing IU Health Charis Center for Eating Disorders. To obtain a price estimate for your treatment here, please have the following information ready to provide to the estimates team:

Patient Name, date of birth

Insurance subscribers Name, date of birth

Name of Insurance, Member ID#

Our clinic is an Off Campus Outpatient Center. We will bill for both Professional (the provider fee) and Facility fees. The Price Estimate Team will need the following CPT codes to give you a facility fee assessment:

Medical Doctor: 99205 Comprehensive Initial visit

99214 Follow-up visit

Dietitian: 97802 (x4 units) Initial visit

97803 (x2 units) Follow-up visit

Psychologist: 90791 Initial visit

90834 Follow-up visit

90847 Family Therapy visit

Estimate Specialists will process the requests within 5 business days. Usually, it only takes 1-2 business days. They do not provide real time/same day estimates.

Charis Center enters charges for your visits, verifies you have coverage for behavioral/mental health, and obtains general benefits. Please check your benefits with your insurance provider. For billing questions, contact IU Health Revenue Cycle Services at 317-612-2754.

Upon request, we can let you know what the billed charge for each Professional (your providers charge) service will be. This is *not* the contracted rate with your insurance provider.

Please reach out if you have any questions. Thank you!
